

FSM

PUSH SWEEPER

Make the cleaning of small areas
easier and faster!

 **FIMAP**[®]

FSM is a push sweeper which makes the cleaning of small areas easier and faster. It is light and easy to handle, with manual drive on both wheels, which ensures the collection of dirt even in bends.

Ideal for cleaning the interior and exterior spaces, in mechanical workshops, condominium service areas, courtyards, warehouses, car parks and petrol stations.

The handle is large and height-adjustable, ensuring the maximum comfort in use. Besides, it can be folded for machine storage in a small space

With large and easy to empty debris hopper
